GROUP INTRODUCTION

Office Building

Production Base

LVSUN Group, established in 2003, is located at ShenZhen LongHua with its head office. There are Subsidiaries under parent as named as LVSUN Electronics Technology Co. Ltd of ShenZhen, LVSUN Technology Co. Ltd of ShenZhen , LVSUN Technology Co. Ltd of Dao County, LVSUN Electronics Co.Ltd of ShenZhen, Kamera(HK) International Co., Ltd. The head office of LVSUN in Shen-Zhen processes firm fields with 20,000 square meters, and meanwhile, the new Innovation of science and technology park of LVSUN in Dao County of HuNan Province seizes lands with 100,000 square meters.

LVSUN focuses on Depth Cultivation of Products, Independence of R&D, Innovation of Technology, Energy saving and Environmental Footprint. There are many assembly manufacturing bases in LVSUN Group. Our main products stretch into multifunctional USB charger, Universal ac Adaptors, Lithium Cell, Lithium Batteries, Raw Materials for Communication, Intelligent Home Products, Internet Marketing and Service etc, which makes LVSUN become the market leader in its innovation power industry. LVSUN Group has invested heavily to import from abroad at the advanced technology and facilities, equipped with the advanced automatic operation and testing device. We have SMT dust-free workshop, automatic plug-in production line and adopting ROHS lead-free production process in order to meet the requirements from EU WEEE, ROHS and REACH . LVSUN has created a high new level and standard in manufacturing industry, and formed a Total Quality Management of ISO9001 and Advanced Performance Management System. LVSUN has assorted with SHARP, CASIO, PENTEX, POVOS for original assemblies and became the key supplier of international OEM such as FUJITSU, HP, DURACELL for many years.

LVSUN brand has been successfully registered in more than 100 countries and regions all over the world as an international trademark and it has brand as LVSUN, KAMERA, UDOLI and ICV etc. LVSUN products sell into more than 100 countries and regions and has been rewarded for more than 300 patents through Europe, America and China at the feasibility, functionality and features of patents. Furthermore, LVSUN has gained the product safety qualification over 300 items. In 2012, LVSUN won the High-tech Enterprise of Nation, High-Tech Enterprise of ShenZhen and The Famous Brand of Shenzhen. In 2013, LVSUN products has been rewarded National Quality Inspection and Stability of Qualified Products. In 2014, LVSUN was rewarded the Independent Innovation Demonstration Enterprise of Guangdong Province and authorized as The Famous Brand of Guangdong.

LVSUN runs in modern enterprise management style, through cooperation with Jinan University and Huazhong University of Science and Technology and other large and medium institutions, LVSUN gathered a number of first-class high-tech talent, mastered the advanced technology and manufacturing process, and established an unparalleled technical advantages and quality advantages in USB multifunctional charger, universal notebook power adapter and mobile power bank.

Pursuing the business philosophy of Creativity Can Cultivate Core Value, Responsibility Can Reflect Realist, LVSUN sets its mission for the market and customers as aiming at more efficiency of energy saving, more effectiveness of friendly environment, more intelligent and portable products. LVSUN is constructing a greater harmony in working environment and better benefits at living conditions for colleagues. With strong moral humanity solicitude and culture web, the goal congruence of LVSUN's common vision is to become a leader at the innovative power field in this world.
