DECT Headset

VT9000DECT

- Single earpiece and dual earpiece available
- Ultra noise cancelling microphone
- Volume and mute controls
- Wideband audio for outstanding sound quality
- Up to 8 hrs of talk time, at least 36 hrs standby time
- Battery fully charged in less than 3 hrs
- Pair up to 4 headsets for conference calls
- Support handset lifter and EHS for remote answering/ending calls
- Advanced hearing protection with SafeTone™ technology
- Works with any desk phone

VT9300USB DECT

- Comfortable, lightweight over-head wearing style
- Wideband audio for exceptional sound quality
- Up to 8 hours of talk time, at least 36 hours standby time
- Battery Full charged in less than 3 hours
- Extended range, 150m outdoor and 30m in door
- Volume and mute controls
- Multi-function button for easy call handling
- Works with PC & Softphone
- Support Skype for Business and 3CX with hook on/off

VT9400DECT

- Single earpiece and dual earpiece available
- Ultra noise cancelling microphone
- Volume and mute controls
- Wideband audio for outstanding sound quality
- Up to 8 hrs of talk time, at least 36 hrs standby time
- Battery fully charged in less than 3 hrs
- Pair up to 4 headsets for conference calls
- Support handset lifter and EHS for remote answering and ending call
- Advanced hearing protection with SafeTone™ technology
- Dual functions allow VT9400 to be compatible with any desk phone & softphone

Bluetooth UC Headset

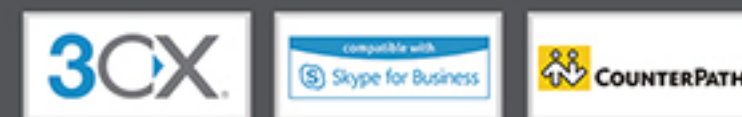

VT9602BT

- Single earpiece and dual earpiece available
- Noise canceling microphone
- The 6th generation CVC and Bluetooth version 5.0
- Volume and mute controls
- Up to 30m range with an optional USB dongle
- 21 hrs talk time and 500 hrs standby time with 300mAh battery
- Base with USB output port to charge mobile phone
- Works with smart phones & desk phones & PC

VT9605BT

- Integrated busylight on headset
- Super wide band speakers and HD voice for crystal-clear calls and music
- Talking time 10 hrs and Standby time 240 hrs
- Dual Bluetooth connectivity to two devices at the same time for calls and music
- Wireless range up to 100ft/30m(base on the connected device)
- Compatible with Skype for Business, 3CX, Counterpath Bria, Cisco Jabber etc. with the BT100U dongle together

VT9712BT

- Single earpiece and dual earpiece available
- Busy Light on headband
- Bluetooth version: 5.0
- The high-performance 6th generation CVC technology
- Wideband audio for outstanding sound quality
- Up to 30m wireless range
- Volume and mute controls
- Up to 15 hrs of talk time, at least 500 hrs of standby time
- Battery fully charged in less than 3 hrs
- Bluetooth function inside Base
- Dual connections for mobile phones/ softphones

UC Headset

VT5009UNC-D

VT5009 Series

Comfortable wearing style
